Mission Statement:

In 2010 this group came together for the purpose of furthering the principles of recovery among the clean and sober riding community, we think it beneficial to set into writing the purpose for the Texas Serenity Run, the structure and procedures for the Texas Serenity Run Committee. While our foundation is based within the framework or the ideals, principles, and traditions of the oldest of the 12 step recovery fellowships, Alcoholics Anonymous, we believe it is imperative the Texas Serenity Run remain unaffiliated from all clean and sober clubs, organizations and fellowships. While we are aware that not all of the clean and sober riding community will find the Texas Serenity Run necessary; we believe it beneficial to continue to hold it annually so long as there is a need.
